A recent cast member of the HIT, Tony Award-winning show, *The Book of Mormon*, I'm also super excited to star in award-winning digital comedy series, *Working Out the Kinks*!

Other work I've done includes Chris Rock's film, *Top Five*; *Finding Magic*, *Finding Joy*, *Finding Trust* with Yara Shahidi and Essence Atkins; *West Side Story*; Best Supporting Actress performance in *Smokey Joe's Cafe*; featured in work by award-winning directors such as ABFF selected, Andrea Lewis; and working on set with Adam Sandler, Whoopi Goldberg, Jerry Seinfeld, Rosario Dawson, Ice-T, and Deirdre Goodwin, to name a few.

My mission is to carry out the legacy of entertaining while empowering and educating- a legacy left to me by my momma and grandparents to whom I give thanks and honor, for without them, I wouldn't be the woman I am today. Yaaass!
